

## Student Selection

The last part of this plan, is for the teacher to submit pre-instruction and post-instruction evidence of student growth. These [Timelapse Artifacts](#) will be submitted by the teacher. If you desire to view any of these submissions, you can click on the title of each activity to open and view the contents.

- Click on **Student Selection** to open and view this activity.

- Click on the **Back** link to return to the ASW Plan.

## Provide Evidence of Student Growth

- Once pre/post evidence of student growth is available, the teacher will input it into the ASW Plan.
- Click **Provide Evidence of Student Growth** to open and view the activity.

- Click on the **Back** link to return to the ASW Plan.
